Report of Director and School Improvement Council

J. Harley Bonds Career Center is located in the J. Harley Bonds Educational Resource Center at 505 North Main Street in Greer. The center is in a modern, up-to-date facility. Bonds is truly a special place to learn for the students from Blue Ridge, Eastside, Greer, Riverside, and Wade Hampton High Schools.

Each program is led by a local advisory committee made up of the teacher(s), another staff member, and leaders from business and industry. Each committee meets at least quarterly to review the progress of the program and to chart the path of the course for the future. The School Improvement Council is active and plays a major role in developing long range and short range plans for the center. This year, the council has focused on making the community aware of what is available and what is happening at Bonds. The committee also voted to continue the student incentive program for students who improve their grades and attendance.

All courses are either nationally certified and carry dual credit from Greenville Tech and/or other colleges, such as Johnson and Wales University. Culinary Arts is certified by the American Culinary Federation, A+ Computer Repair by CompTia, Medical Careers by the Red Cross, Pharmacy Technology, Auto Technology by NATEF, Construction Technology and Welding by NCCER. Web Design, Computer Repair (A+), PreEngineering, Computer Aided Drafting, Culinary Arts, Building Construction, and Welding provide college credits as well as high school units for students. Auto Technology also is an AYES national training site. NATEF and American Culinary Federation recertified the Bonds' programs after on-site reviews this year.

All students belong to their professional organizations and actively participate at the local, district, state, and national levels. For the 4th year in a row, all students have been members of SkillsUSA, HOSA, or FFA. Seven students participated in SkillsUSA nationally after winning the state contests in plumbing, metal fabrication, first aide/CPR, and welding. One student competed in HOSA nationals after winning the state's HOSA competition in medical demonstration. One student is serving as state Reporter for South Carolina SkillsUSA for 07-08, and one student is serving as President for SC HOSA. Five teachers are serving on the National Education Team for Skills USA.
